## **INTRODUCING OUR NEW INJECTOR, HAYLEY WASHINSKY, ENT, PA-C**

Hayley Washinsky is an ENT (ear, nose, and throat) and facial plastics physician assistant, as well as a Las Vegas native. Hayley graduated from Faith Lutheran High School before attending the University of Nevada, Reno, where she earned a Bachelor of Science degree in biology with an emphasis in pre-medicine. While attending UNR, Hayley was also a member of the Nevada Alpha chapter of Phi Delta Epsilon medical fraternity and an avid volleyball player. Hayley then moved back to Las Vegas and attended Touro University Nevada, where she received a Master of Physician Assistant Studies. Hayley then spent a year working as an ENT and facial plastics physician assistant in Las Vegas.

A former model, Hayley has always had an aesthetic eye and a niche for all things beauty. With that, Hayley came to know Advanced Aesthetics as a client and a member of the community. While completing her degree in physician assistant studies, Hayley also completed a hands on rotation with owner Mary Sullivan-Force, RN, CANS and practitioners Jeff Nguyen, PA-C and Mike Sullivan, PA-C at Advanced Aesthetics, giving her intimate experience in facial plastics and the world of medical aesthetics.

Hayley's goal as a practitioner is to help each of her patients feel good, whether it be aesthetically or medically.

Hayley will be injecting full-time at both Advanced Aesthetics locations. You can find her at the Henderson location on Mondays and Fridays, and the Rainbow location on Tuesdays, Wednesdays, and Thursdays.
